

NATEX

FIRE EQUIPMENT MANUFACTURERS

PORTABLE DRY CHEMICAL POWDER FIRE EXTINGUISHERS

NATEX is the most recognised name in fire equipment. We have been manufacturing quality fire equipment for over 30 years. Our vast experience in the fire industry has given us the expertise to supply you with a full range of quality fire equipment to manage your unique fire risk.

- 🔥 South African Bureau of Standards (SABS) approved.
- 🔥 Designed and manufactured to international standards
- 🔥 Corrosion resistant:
 - Epoxy coated and oven cured finish with brass valve and metal pressure gauge guaranteeing long life and reliable action
- 🔥 The built-in gauge allows pressure monitoring, while constantly pressurised powder has less tendency to compact
- 🔥 NATEX fire extinguishers are suitable for most types of fire protection:
 - In homes
 - Motor vehicles
 - Commercial and industrial applications
- 🔥 Dry oxygen-free nitrogen is the pressurised agent, guaranteeing no moisture in the unit
- 🔥 Operating pressure for all models are 1 400 kpa

MODEL	CAPACITY	± MASS	± DIAMETER	± HEIGHT
STP 1	1kg	2.0 kg	80 mm	335 mm
STP 1.5	1.5kg	3.0 kg	110 mm	355 mm
STP 2.5	2.5 kg	4.0 kg	110 mm	405 mm
STP 4.5	4.5 kg	7.0 kg	180 mm	405 mm
STP 9	9 kg	13.0 kg	180 mm	535 mm
